**A GOOD NIGHT'S SLEEP;
RONALD MCDONALD HOUSE CHARITIES OF OUTSTATE MICHIGAN
PARTNERS TO PROVIDE 30 LOCAL FAMILIES WITH KIDS' BEDS**

Members of Hands Extended Loving People (HELP), a Ludington, Mich., nonprofit organization, delivered complete new beds last week to three Mason-County families in need, thanks to a \$5,000 grant from Ronald McDonald House Charities (RMHC) of Outstate Michigan. The new beds are three of 30 that are helping area families. The remaining 27 beds will be delivered throughout Lake, Mason, and Oceana counties throughout the next month. In 2009, HELP received more than 350 requests for beds from these three counties. For more information about RMHC and its grant program, visit www.rmhcoutstatemi.org.
